DOCUMENT CHECKLIST

IN ADDITION TO A LEGIBLE COMPLETE APPLICATION FORM, ALL OIL, GAS AND INJECTION WELL PERMIT APPLICATIONS MUST HAVE THE FOLLOWING ITEMS ATTACHED BEFORE A COMPLETE REVIEW IS POSSIBLE:

- _____ Application review fee (\$100).
- _____ A copy of a valid City of El Reno approved Conditional Use Permit application.
- _____ A copy of a valid, approved Oklahoma Department Mines permit application.
- _____ The name, address and telephone number of the property owners of the subject land as recorded in the county court house record by the registrar of deeds.
- _____ A brief description of the proposed operation should be given outlining: the equipment and methods to be used; the proposed depth of the area to be excavated; and the number of cubic yards of earth proposed to be removed.
- _____ A certified copy of a reclamation plan and a current surety bond filed with and a current permit issued by the Department of Mines and Mining of the State, pursuant to the Mining Lands Reclamation Act (45 O.S. § 721 et seq.), encompassing and describing the entire site.
- _____ A person making application for the permit required by the provisions of this article shall file with the City a current valid certificate of insurance or a copy of an insurance policy issued by an insurance company authorized to do business in the State of Oklahoma to evidence public liability insurance covering the applicant's excavation operations with a face amount of no less than \$25,000.00 property damage and \$100,000.00 personal injury or death per person and \$1,000,000.00 per occurrence. Such insurance must be maintained in effect throughout the period during which excavation operations or activities shall occur. Failure to maintain such insurance shall result in the immediate revocation of the permit.

_____ Prior to the issuance of a permit, the applicant shall also obtain and file a surety bond payable to the City, executed by the applicant and the owner of said subject land as principals and by a corporate surety company authorized to do business in the State of Oklahoma; and such surety bond shall be filed with the City Clerk with a copy to the Community Development Director. The surety bond required shall not be less than \$1.00 for each and every cubic yard of earth to be excavated as represented by applicant and confirmed by the Community Development Director upon each application for permission to excavate; provided, however, the maximum bond required hereunder shall not exceed \$300,000.00.

Said surety bond shall be conditioned upon:

- _____ The applicant, the owner of the land and the surety company saving the City harmless from any loss, expense or damage occurring to or suffered by this City from accident or otherwise; and
- _____ The applicant refilling the excavation without cost to the City if said excavation shall be determined to constitute a nuisance in the opinion of the Community Development Director.
